**REQUEST FOR ACKNOWLEDGMENT
OF RECEIPT OF PRIORITY DOCUMENT**

Sir:

Applicants are in receipt of the Official Notice of Allowance for the above-referenced application. Upon final review of Applicants' file, it was noticed that the Examiner did not check the box indicating that acknowledgement is made of the claim for foreign priority. This application claims priority of PCT/SE2003/001918 filed December 10, 2003. The international application was published prior to filing of this national stage application. Accordingly, if the US Patent Office believes that physical receipt of the priority document is necessary for this national application and does not have such, the USPTO should promptly request the priority document from the IB.

Respectfully submitted,

NIXON & VANDERHYE P.C.
